

Sense of the Board

The Federal Crop Insurance Corporation (FCIC) Board of Directors (Board) issues deadlines through FCIC Board resolutions, which include deadlines for applicants to submit 508(h) submissions during a specified submission window following approval for advance payment.

Due to issues related to COVID-19, the FCIC Board issued a “Sense of the Board” in May 2020 extending all 508(h) submission deadlines issued through FCIC Board resolutions prior to the May 2020 Board meeting by six months.

Due to ongoing issues related to COVID-19, the FCIC Board is authorizing an additional extension of six months (one year from the date provided in the resolution authorizing advanced payment) for all 508(h) submission deadlines issued through FCIC Board resolutions prior to the May 2020 Board meeting.
